Land Registry Official Copies £7.20 (inc VAT) per copy

If selling a leasehold property, there are likely to be Landlord/managing agent's fees for providing replies to leasehold enquiries, required by your Buyer's solicitor. Typically the fees range between £250.00 - £450.00.

The legal and administrative work consists of

- Obtaining the property deeds and preparing supporting information and documentation to send to the buyer's solicitor and replying to enquiries they raise as a result of searches and surveys;
- negotiating the terms of the contract;
- obtaining information from your lender in respect of your current mortgage on the property (if applicable);
- exchanging contracts when your buyer is ready and a completion date has been agreed;
- arranging to send the necessary funds to your lender to redeem your mortgage on completion day (if applicable);
- arranging to transfer the net sale proceeds to your bank account and settling the estate agent's fees on your behalf.

Timescale

It is anticipated that it will take approximately 6-8 weeks until we are in a position to be able to exchange contracts, and a further 2 weeks from exchange of contracts to actual completion of your sale (to allow the buyer's solicitors to report to their client's lender and request the mortgage money to be transferred). Obviously, this timeframe may vary and is influenced by factors such as whether you and your buyer are in a chain or what issues arise from legal paperwork, searches or surveys by the buyer.
